Parent Participation

The **participation of parents** is an integral and important part of the sport. The club is run on an entirely voluntary basis from the President through to the line markers, which makes Woodlands Tee-ball one of the cheapest Tee-ball clubs in Perth. By getting involved at any level you are helping the club to continue to prosper as well as having the enjoyment and fulfilment of being involved.

Each team needs 3 positions filled to compete - Coach, Umpire and Manager (the scorer position can be shared among team parents on a roster system). No experience is necessary as experienced umpires and coaches will give you support. A formal training clinic for umpires and coaches will be run prior to the commencement of the season. Further training clinics will be run throughout the season if required.

A suggested 'Duties list' for these roles are available on our webpage and it **is the responsibility of each parent to ensure that their child's team has all positions filled.**

Teams with positions of coach, umpire and manager **not filled** by the end of team notification day **will be disbanded** and registration fees will be refunded.

Team Notification Day

Team Notification Day will be held on Saturday 16 September 2023 from 11am – 12pm at Warren Lake Hall, Woodlands Reserve. The day will include notification of team members, umpires, managers and coaches. Fielders Choice will be on site so that Tee-Ball equipment can be purchased.

Teams

The Club will endeavour to accommodate requests. For new players wishing to play with their friends, the club will try to accommodate but sometimes this is not possible. For existing teams the club will try to keep them together but in some cases where teams are split due to changing age groups, the club will try to keep as many children together as possible. For existing teams that have one or two vacancies, the club will try to fill but if there are a number of players nominating, the club will refer back to the 2022/23 wait list.

Code Of Conduct

For the safety, fairness and enjoyment of all associated with the club we adhere to a Club Code of Conduct. This is to be sighted by the guardian at the time of registration.

Mouthguards

The club recommends that players wear mouthguards for training and games. Mouthguards can be purchased at Chemists or you may wish to have one professionally made and fitted by our sponsor GobSmacked Mouthguards. If you have private health insurance, your policy may cover mouthguards, check with your insurer. A representative from GobSmacked will be at our team notification day.

Refund Policy

Refunds, subject to a \$5 administration fee will be given until 16 September 2023. No refunds will be issued after that date.
